Gabriela92: takes the newly-exposed flesh and points the tip of the remaining banana toward Heart's soft, tender, inviting mouth...

Gabriela92: holding the broken end in my fingertips....

bleedingheart26: parts my mouth and awaits for the fruit to touch my lips...

Gabriela92: runs the banana tip slowly around Heart's lips, counterclockwise, barely grazing the smooth, glossy skin

bleedingheart26: wraps my lips around it and savors the delicious taste..

Gabriela92: puts the tip of the banana into Heart's mouth, letting her savor its firmness and taste...

Gabriela92: wb, Turbay
