Al_dente_: enjoying the smile on Kaitlyn's face as she teases the room
kaitlyn m9: steps away a little, rests the head upon the pole....eyes closed, hands moving on my body
bigbadwoof2008: sexy kait
Al_dente_: follows the progress of the hands
kaitlyn m9: sways a little, rolls the hips, getting a feel of things while the hands again run over the body
bigbadwoof2008: i could watch your moves all day kait
kaitlyn m9: pauses with the hands under the breasts, gives them a gentle squeeze, then caresses them
bigbadwoof2008: oh my
kaitlyn m9: kicks off the heels to make it easier to move around in the stockinged feet
bobor_1: hi all
kaitlyn m9: feels the skirt start to sway a little more with the hips rocking
natalie_uk_2: watching kait and quickly turns away as I realise I am licking my lips
FoolishHeart26: hmmm. wraps Scarlett's arms around me as we watch Kaitlyn gracefully dance
kaitlyn m9: hands again moving on my upper body, moving over the short sleeved blouse, then tugging it slowly from within the skirt
Al_dente_: loves kaitlyns moves as she sways
bigbadwoof2008: your body is sooo hot kait
kaitlyn m9: lets the blouse go for a moment, hands sliding over my hips, one moves around to glide over the mid thigh length skirt
kaitlyn m9: rests to the pole, takes the hem of the skirt and slowly raises it, showing more leg and stocking.....and keeps going until the stocking tops appear
Al_dente_: gulps.....
bigbadwoof2008: chokes.....
bigbadwoof2008: you go girl
kaitlyn m9: sways again, holds the skirt, then lets it fall and slowly works bringing the blouse up the body
bigbadwoof2008: i love when you sexily carress your body
kaitlyn m9: the navel shows, slowly tugging higher, the bottom of the bra cups on display
Al_dente_: nice tummy.....
bigbadwoof2008: i like your tight tummy kait
kaitlyn m9: tugging a little more, lets the blouse rests on the breasts, the finger tips again grab the hem of the skirt and tug, working the skirt down just a little
kaitlyn m9: the blouse comes off.....it is tossed aside and the swaying and grinding move a little quicker
Al_dente_: shifts in seat....
Al_dente_: woo hoo!
kaitlyn m9: reaches back to loosen the skirt, works the zipper down and lets the skirt rest upon the hips

Al_dente_: mesmerised by the sight

kaitlyn m9: the hair is tossed, my hands run over the bra to again caress my breasts, to squeeze them and to round them out the top of the cups just a bit more

kaitlyn m9: smiles....thinking it was wise to have gone with the half cup bra today....

Al_dente_: raises eyebrows as kaitlyn's hands move

bigbadwoof2008: moving up to edge of dance floor for really close look at you kait

kaitlyn m9: steps away, the hips slowly move, sway left and right, then are rolled as I spin around

Al_dente_: watches as the skirt slips a bit

kaitlyn m9: tugs the skirt a little more...it rests barely on the hips, giving a preview of the g string under the skirt

kaitlyn m9: rests to the pole again, sways and grinds into the pole, then pulls the skirt the rest of the way down, steps from it, toes it, and gives it a toss

Al_dente_: wow...

Al_dente_: beautiful!

katieHEARTSwomen: *oh my, Kaitlyn*

kaitlyn m9: moves back and forth, sways, the g string the match for the bra, a sheer white that covers but is sheer enough for the imagination to run rampant

Al_dente_: which it is....

kaitlyn m9: rests to the pole, hands move up and down the stockings, then up my body again to my breasts.

bigbadwoof2008: trying to imagine what your nipples look like kait

kaitlyn m9: steps away, spins, sways the hips and rolls them, leans over and wiggles the butt slowly

Al_dente_: follows the gliding hands

kaitlyn m9: then a little faster, the sway a little more exaggerated

kaitlyn m9: a hand slides on the rounded cheek, then I give it a slap

kaitlyn m9: circle the hand, then slap again

kaitlyn m9: stands and sways, head falls back, bobbing to the tune, then spinning and drops to the knees

kaitlyn m9: shoulders sway, body sways, hands again up and down the legs, but one takes a detour to move between my legs

Al_dente_: hmmm

kaitlyn m9: looks all innocent for a moment....then one finger lightly touches the sheer fabric

kaitlyn m9: the finger moves back and forth....

kaitlyn m9: again back and forth

natalie_uk_2: omg kait wow

bigbadwoof2008: places a couple of 20s on the dance floor

Al_dente_: moves in my seat to adjust....

kaitlyn m9: a little circle upon the fabric....then the head falls back

kaitlyn m9: the finger runs up my midsection....teases at each nipple

bigbadwoof2008: omg kait

Al_dente_: follows the finger.... imagining.....

kaitlyn m9: spins around, sits on the stage , rests on the hands and extends a leg at a forty five degree angle

kaitlyn m9: a hand glides over the stocking, then upon the inside of my leg

Al_dente_: hmmm gorgeous leg....

kaitlyn m9: the leg is lowered, and kicked...the hand again moves over the stocking

kaitlyn m9: spins around, gets to the knees, sways again, slowly drops back to push the breasts to the ceiling, jiggling them as best can be done

bigbadwoof2008: i move over a seat to get center view of you kait

katieHEARTSwomen: *see ya, heart sweetie... *hugs and kisses her**

Al_dente_: watches that hand move over the stocking

natalie_uk_2: ni night heart

kaitlyn m9: arms sway with the jiggling of my breasts, then raising vertical, slowly standing, spinning and backing to the pole

Al_dente_: watching the jiggling...

bigbadwoof2008: i love when you spread your legs kait

kaitlyn m9: grabs the pole, hooks a leg around it.....spins on the pole, then pauses

Al_dente_: admires all of kaitlyn's curves

kaitlyn m9: leans back, again the breasts are jiggled and shoulders swayed

kaitlyn m9: raises up, spins and backs to the bar, braces the spine to the pole, and slowly lowers, widening the legs

Al_dente_: gulps.... nice view

kaitlyn m9: as soon as I am lowered, the hands run over the stockinged legs, one hand on the inside, the other again up the body to squeeze one of my ample breasts

bigbadwoof2008: imagining kait moving on my pole instead of that dance floor pole

kaitlyn m9: the hands fall to the sides...slowly raising again, pausing as I bend to run the hands up each leg, snap to vertical and toss the hair

kaitlyn m9: with an exaggerated sway, the rocking continues, the head moves

Al_dente_: watches the hand on the leg linger at the top of the stocking

bigbadwoof2008: bet your inner thighs are really smooth kait

kaitlyn m9: the hands grab the pole, the head moves left and right, sending the hair flying away, then I move the head in a circle to keep the hair flying

Al_dente_: see's kaitlyn mouthing the words to the song as she rocks her body

kaitlyn m9: spins and backs to the pole, looks to the audience, smiles...gives the lips a seductive lick....then the finger returns to lightly brush over the fabric of the g string

Al_dente_: omg

kaitlyn m9: the finger continues to slowly glide, to circle on the fabric

Al_dente_: shift in the seat again

bigbadwoof2008: great show kait, brava

kaitlyn m9: a finger on the other hand circles each nipple, then the finger nail drags over each nipple

kaitlyn m9: the g string is hooked, slowly rolled a little, then I turn and start to sway the hips, look over the shoulder

kaitlyn m9: winks, lowers the g string a bit more...and leaves it there, spins around, slowly moves and rolls the hips

Al_dente_: eyes glued on what kaitlyn is doing
kaitlyn m9: spins and drops to the knees, hands again over the stockings, then my body
bigbadwoof2008: you make me hard kait
kaitlyn m9: the head falls back, the shoulders sway, the breasts jiggle
Al_dente_: imagines they are my hands.....
kaitlyn m9: the head raises, the hands continue to move, then slowly glides them to the stockings, runs them over the legs
Al_dente_: leans forward to cope with the effect.....
kaitlyn m9: back up the body and slows the gyrations, and as the music works to its end, the body continues to slow until there is no more motion, the head lowers.
Al_dente_: beautiful.....
kaitlyn m9: pauses....slowly raises, smiles...takes the perfunctory bow after tugging the g string back fully into place
Al_dente_: stands and applauds
Al_dente_: grabs one of the lab robes for you...
kaitlyn m9: smiles to the audience, gives the polite little wave, bows again
kaitlyn m9: thank you Al
bigbadwoof2008: very nice kait, you are marvelous
Al_dente_: wraps it around your shoulders.....
kaitlyn m9: holds as he slips it on, then it is belted
bigbadwoof2008: that's for the great show
Al_dente_: thank you Kaitlyn.... very sexy!
kaitlyn m9: thank you very much !
Al_dente_: that was very sexy Kaitlyn...
kaitlyn m9: thank you Al

Ivan_Skavinsky: Where am I?

FoolishHeart26: turns and languidly struts around the room ..hands on my hip as I walk into Ivan's direction...locking my eyes on him...

FoolishHeart26: waves my hands back in the air and turn my back on him... shaking my booty on him along with the beat...

Ivan_Skavinsky: I'm entranced by Heart's dancing.

Ivan_Skavinsky: If she carries on like this, I'll be forced to obey her every command.

Ivan_Skavinsky: That's it. The kiss wakes me up from the trance. What a lovely experience. I must ask how the trick works another time.
